To Whom It May Concern

Dear Sir,

AL- AYDI AL MUTKINA EST. (MSLC), a Contracting Establishment operating from Jubail city is a rapidly expanding organization offering a wide range of Engineering support in the field of **Building Construction, Steel Fabrication, Maintenance and Manpower Supply** services. As a result of our continuous pursuit for recognition and devoted customer service during the past Nine Years we have secured the confidence and appreciation of our clients. We have highly qualified and technically skilled staff such as Civil, Electrical and Mechanical Engineers, Technicians, Welders, Unskilled workers etc. We provide all facilities to the workforce as per Saudi Labour Law and this setup has proved to be the strategy of our persistent success.

In case of any other specialized requirements needed apart from the categories mentioned above, **MSLC** with the help of readily available professional consultants, in the respective fields could explore viable solution to meet such requirements for the ultimate satisfaction of valued customers.

Your satisfaction and Trust on us will be the spring board of our continued success.

If you require additional information, please do not hesitate to contact us at Tel. No: **362 6536** or **362 6547** and Fax No: **362 1488**, and you may contact our Business Co-ordinators for further assistance.

Hoping for a chance to prove our commitment.

With Best Regards,

Sami Abd Al Wahab Idris
Executive Manager
